State v. Gregory
No. 20190060

Per Curiam.

[¶1] Komikka Gregory appeals from an amended criminal judgment entered after a jury verdict. Following trial, in October 2018 a jury found Gregory not guilty of the charge of murder, but guilty of a charge of manslaughter. Gregory argues there was insufficient evidence to sustain the jury verdict for her conviction. Viewing the evidence in the light most favorable to the verdict, we conclude sufficient evidence exists that could allow a jury to draw a reasonable inference in favor of conviction. We affirm under N.D.R.App.P. 35.1(a)(3).
